- Mr. Barlow made a motion to approve the minutes from the last meeting. Ms. Ficarro seconded it.

2.2 Building and facilities update

- We are still waiting on the wallpaper removal and painting. The school district will be replacing parts on the air conditioning unit soon. It will come from the district budget. Some parents are concerned that the city is considering putting in apartments on the golf course property because the golf course is in bankruptcy.
- The kiss and go lanes don't go smoothly if there's not 3 staff members out there. It was suggested that positioning a staff member at the top of the ramp would be a safer option so that children can not go back up the ramp unsupervised.
