

Specialists' Information

Message from Ms. Gardner:

I Have set up a Google Classroom for us to share the art we are making at home with each other. The name of the class is "Share Newton's Art Here". Please join our Google Classroom by using the following code [dfsqkbj](#). Please email me your art and then I will post it. Thank you for joining our Google Classroom. I look forward to seeing what you create! My email is gardnbd@nv.ccsd.net.

Message from Mr. Ball:

This is a link for the music teacher's national association which contains links to a great deal of music enrichment websites for times likes these.

https://www.mtna.org/MTNA/Learn/Parent_and_Student_Resources/Websites_for_Kids.aspx

Steel drum and recorder groups can continue working on their music. 3rd and 4th grade should all have recorders at home so they can continue to work on those skills.

Attached you will find more music activities to include with the next parent link. It is a daily activity plan that includes family involvement. Send me an email with questions or concerns. ballt@nv.ccsd.net

Message from Ms. Eagleson:

Hello Newton Navigator Families! I miss seeing you all and helping you learn about your health and participating in physical activities!! 4th-grade students, if you haven't already done so, please take the time to log into your Google account and go to your P.E. classroom tab in Google classroom. I encourage you all to take the Fitness Facts Quiz that is linked for you in Google classroom. 5th-grade students in Ms. Ito's class that haven't taken the Heart Facts Quiz in your Google Classroom P.E. tab, please do so as soon as you can!! I know you are all probably getting restless and need to move those bodies around!! I have a link I would like you all to check out on YouTube. It is called Cosmic Kids Yoga, and you can do this at home in a small space. Cosmic Kids Yoga has many routines that you all can have fun with. Please check it out, and get those bodies moving!!! I look forward to seeing you all soon! Stay Healthy and Active!

Message from Mrs. Gimbel:

Good news! Students are able to take AR tests while schools are closed. They go to the Newton website, or click this link here <https://www.ulisnewton.com/>, and go to the Students tab. Then click Quick Links, and the AR Link. Students can only take tests during school hours of 9:05 am to 3:21 pm. Students should be taking 2-3 tests a week depending on the books they are reading. They may need to find books online or use what you have at your home. Please no helping them during the test. Here is the AR link if directions above aren't working
