

Newton Website Scavenger Hunt

In an effort to increase communication between school and home, we invite you to explore our website as a family through participating in a Website Scavenger Hunt! Please visit www.ulisnewton.com and answer the following scavenger hunt questions with your child. This will be a fun way to explore the site with a chance for your child to win a prize in a drawing. We will be giving away ten separate prizes to students who complete this form with their parent or guardian, and return it to school by December 13, 2019. We hope that you find our website useful and user friendly. Have fun!!
