

# Newton ES Spring Hunt

## What is it

- Participants would place item(s) in or on their homes/properties where they are easily seen from the street. These items could be put up now until Spring Break concludes.
- Families will drive or walk around looking for these items.

## Possible Ideas

- Place spring decorations (flowers, eggs, bunnies, sheep, etc) in or on their windows/houses/yards.
- Draw something or write a message in chalk on your driveway or others know are part of the Newton Family- Newtonrocks, Navigators, etc.
- Place this idea on social media or NextDoor app to give bored neighbors a way to participate.

## Rules

- Must be done individually (by family). Please stay safe and do not meet up with friends to do this. We still need to practice social distancing.
- Do not go searching for supplies at stores, if you have them, please use them.
- Keep track of how many decorations you find.
- Send your tally to your teacher on April 15th.
- This is completely voluntary and not expected.
