### SCHOOL PERFORMANCE PLAN:

News about our new pre-k program which will start in April.

Shared SPP with the leadership team already.

This is the preliminary plan for what will happen next year but will change in September.

SBAC, WIDA, MAP, and STAR scores show our growth. Showing growth already this year.

Goals: 80% of students with passing scores using programs (Zearn, Reach for Reading, Lexia, AR, LLI, Sanford Harmony, Growth Mindset) and focus on differentiation. Areas for growth are noted in Goal 2. Budget is different this year (refer to last month's minutes for details). School Climate goals will include working on parent survey/feedback; culturally responsive book study for staff; starting a Student Advisory Committee to get student feedback.

Very thorough and specific.

Cindy moved to approve the SPP. Cyndi 2nd. Approved by vote.

Stop the Bleed program is available for teachers. Christen's husband will coordinate with Jorie or Shelby.
